Revised Table of Organization, Southeastern Europe Division,  
DD/P

REFERENCE: Memo for Chief, Management Staff, subject as above,  
from Chief, Budget Division, dated 2 May 1956

1. The referenced memorandum contained this Division's comments relative to the revised T/O for the SE Division. It has since come to the attention of the Budget Division that the T/O submitted by the SE Division was revised again by establishing dual grades for certain positions by the Office of Personnel on an interim basis until an overall position evaluation survey can be made.

2. As a result of the establishment of dual grades the total cost is estimated at some \$57,950 less than that shown in the referenced memorandum. In other words the total estimated personnel cost for the SE Division could range from [REDACTED] per 25X1A1a year and the average grade could range from 10.04 to 10.25 for Fiscal Year 1957, assuming all positions will be filled, the increase in cost [REDACTED]
